The Honourable Brian Charlton
Minister of Financial Institutions
555 Yonge Street
Toronto, Ontario M7A 2H6

Dear Mr. Charlton:

I am pleased to present the 112th annual report of the Superintendent of Insurance for the year ended December 31, 1990. This report adopts a new format reflecting the integration of the activities of the Superintendent of Insurance into the Ontario Insurance Commission. This new format enables a more rapid reporting of information. Information about insurance companies is now more generally available than in the past and the format of this report reflects this development.

In addition to the information contained in this report, a listing of all licensed insurers is published each July in the Ontario Gazette. This list contains the names of the insurers, their addresses, telephone numbers, chief agents, and the classes for which they are licensed. During the year, information concerning newly licensed insurers is also published in the Ontario Gazette. Any broker or member of the public can verify whether a particular insurer is licensed by calling our offices at (416) 590-7286.

News releases containing other information of public interest and enforcement actions which have been taken are made throughout the year. These announcements are generally made the same day as the action is taken and can effectively reach a large number of Ontario residents. Information is also supplied to industry trade associations for inclusion in their publications to reach more specialized audiences. Ontario Insurance Commission bulletins are issued when required to inform the insurers and other individuals interested in the insurance industry.

Yours sincerely,

Lawrie Savage
Superintendent of Insurance
